For the FY 2022-23 CDBG Funding Plan, the estimated total amount of CDBG funds available to the City of Carlsbad is \$527,154; an estimated \$79,073 will be available for public service activities and up to \$105,430 will be available for program administration. It is estimated that up to \$171,326 will be available for affordable housing and up to \$171,325 may be available for facility improvements or other eligible projects. The release of the associated Notice of Funding Availability (NOFA) is scheduled for Jan. 19, 2022 and applications for funding are due before the close of business on February 21, 2022.

The City of Carlsbad is eligible to receive funding, on an annual basis from the federal CDBG program to finance projects, which serve the needs of lower income persons. The funds are to be used to develop viable urban communities through the provision of decent housing and a suitable living environment and by expanding economic opportunities for lower income persons.

To develop a CDBG program that meets the needs of the lower income population, the City of Carlsbad requests assistance from members of the community. The City encourages all community organizations to consider the needs of lower income persons within Carlsbad and to submit a proposed project, or projects, for consideration by the City Council at a future public hearing.

The FY 2022-23 CDBG Funding Plan will be available for public review beginning on Friday, Jan. 7, 2022, on the city's website at www.carlsbadca.gov.
